**Proforma Screening Solutions Announces E-Authorize Data Collection and Applicant Management Tool**

**Purcellville, VA, (April 10, 2009)** - Proforma Screening Solutions is pleased to announce the release of the E-Authorize suite of screening solutions for background screening companies

E-Authorize is both a new tool and a new way of conducting business: more than an applicant tracking system, better than another one-off customer integration. Built to ClearStar.net Web Services, E-Authorize is a 50 state compliant data collection system, AND an applicant management tool flexible enough to support the business process of any recruiting program.

"E-Authorize is a new approach for screening providers; this suite of Gateway Web Services delivers a distinct differentiator to screening companies utilizing ClearStar.net," said Proforma CEO David Lowers. "By taking advantage of the open Web Services architecture, business owners now have the ability to take on problems that have until now been too difficult or costly; adding value to their clients process by solving their chronic screening problems."

"Technology is nothing more than an extension of providing service to your clients, based on their interpretation of value. ClearStar.net Gateway Web Services empower screening firms to take the user experience into their own hands and pursue business with unique offerings that are built on our industry leading technology," stated RJ Vale, CEO of ClearStar.net.

RJ Vale went on to say; "Proforma Screening Solutions have embraced a very proactive approach to technology with an aggressive commitment to exceeding the expectations' of their clients."
